

SEMONT.

Dear Teena and all the gang at Steamatic,

We have got the best looking Kitchen floor in Ceebung. Thanks to a couple of hard working lads who were here this morning. It does look really great, you would be so pleased Teena.

We want to say thank you ever so much for all the hard work you all did to make it possible for us to return to our lovely unit.

Back early last September we were full of grief and your support right from the start was so heartwarming for us both and also for our daughters. You all showed us such kindness while we felt gutted inside.

A lot of heartache and many tears later we are both very happy and very comfortable back in our own home again. A lot of that is thanks to your dedicated team at Steamatic.

Our thanks and big hugs to each
one of you
