Adroit raises \$90,000 for the

**GEELONG
COMMUNITY
FOUNDATION**

The Twelfth Annual Adroit Insurance Group Charity Golf Day held on Thursday 21 November at 13th Beach in Barwon Heads was the most successful yet with a whopping \$90,000 in net funds raised in support of the Geelong Community Foundation. This brings the grand total of proceeds raised so far from the event to in excess of \$650,000.

The GCF retains donations as capital in order to build a perpetual and substantial fund, with the income generated from this capital used to support the disadvantaged in the Geelong district. This year alone \$656,000 was distributed to 45 charitable organisations across the region covering a range of community needs and interests, such as education, training, research, community wellbeing and support for the aged, families, health, youth and the arts.

The 13th Beach Golf course was in wonderful condition and a great day of golf was had by the 172 players from the many local businesses who were supporting the event as well as the wider insurance community.

This year the Crawford's Team of Ted Aldridge, David Arthur, Colin Baker and Nick Baker won the competition for the "Meatball Cup", named in honor of the late Graham Page, a past Director of Adroit Insurance Group.

Chairman of the GCF Val Lawrence received a cheque for \$90,000 at the now legendary seafood dinner held after the event at 13th Beach Golf Club.

Adroit Insurance Group Managing Director, Andrew Locke said "We are proud to contribute to the Geelong Community Foundation which in turn assists an ever increasing number of people in need across our community".

This year's golf day also assisted Adroit achieve an incredible milestone of over \$1 million of net funds raised for local communities from the organization of fundraising events including the Golf Day, joint organizer of Run Ballarat (with the Cotton On Foundation) as well as a number of other initiatives across all it's Branch offices.

"We aspire Community, supporting Community and getting involved in Community, and this milestone is one that I'm incredibly proud of and one that I think demonstrates that we walk the talk." said Mr Locke.
