# Charity Golf Day Results

Adroit raises \$105,376 for 

Adroit Insurance & Risk hosted their 16th Annual Charity Golf Day at 13th Beach Golf Links in Barwon Heads on the 23rd November, raising a massive \$105,376 for Bethany Community Support.

Not only did we raise a record amount, but the incredible efforts from the day saw total funds raised over the event's 16-year history reach the amazing milestone figure of \$1,000,000!

The inaugural Adroit Golf Day Capital grant in conjunction with the Geelong Community Foundation was originally set at \$100,000 but the generosity of local businesses and organisations saw the final total reach an astonishing \$105,376. The total funds raised will go to Bethany Community Support to develop a men's centre.

The men's centre will be the first of its kind in Victoria, providing a suite of services in the prevention of and response to family violence. The services will include behaviour change programs, counselling, fathering programs and mental health assessment and treatment – filling a gap in the community's response to such issues.

Having identified a need to stop the destructive cycle of family violence, Bethany's programs of education and inclusion, which address the underlying issues that lead to such negative behaviour, will no doubt save lives.

Adroit Insurance & Risk Managing Director, Andrew Locke, was delighted with the result, thanking the businesses and organisations who donated in such a generous manner.

*"For the Geelong community to have supported this event over the past 16 years, raising more than \$1,000,000 to date, is a milestone achievement we can all be very proud of."*

Besides generously contributing funds for the local community, participants had a great day out on the course. **41** teams played over the two courses, with the NTL Team taking out top honours on the day and winning the Meatball Cup. The event was celebrated with a scrumptious buffet seafood dinner. Cameron Ling MC'd the event, providing great entertainment for the guests. A great day was had by all who attended.
